Henry Strelitz Dies, Victim of Heart Attack

Veteran Marion Business Man Found Dead at Home

ACTIVE CAREER ENDS

Former Clothing Merchant and One of Street Railway Organizers

Henry Strelitz, retired clothing merchant and a prominent figure in Marion business affairs for almost a half century, was found dead at his home 285 South Prospect st. about 10 o'clock yesterday afternoon. He had been away probably an hour before he was found by a maid in the Strelitz home.

Death due to a heart attack, it was said while Mr. Strelitz was seated in a chair in his room. A physician being found near him.

He lived at the home of his sister in-law, Mrs. Mitchell Strelitz, who was in Columbus at the time of his death.

The end came when Mr. Strelitz was seemingly in good health. Shortly after noon his nephew, J. Malcolm Strelitz, called at the home to talk over business matters. His uncle showed no symptoms of ill health at that time.

On Tuesday preceding his death Mr. Strelitz had been in the uptown district attending to business affairs and was present at a meeting of the board of directors of the Marion National bank.

Although not connected in an executive capacity with any business during recent years, Mr. Strelitz continued active in directing and managing his property interests which included large real estate holdings.

Long and active and energetic until death, his advanced years distinguished his career until the last year when he was afflicted with a heart ailment which necessitated a brief stay in a hospital. He had been active and energetic until death, his advanced years distinguished his career until the last year when he was afflicted with a heart ailment which necessitated a brief stay in a hospital.

Death of his only brother, Mitchell Strelitz, which occurred December 7 of last year appeared to mark a turning point in the career and physical well being of Henry Strelitz. The two brothers had been closely associated many years and when Mitchell Strelitz passed away the loss was keenly felt by the survivor.

Funeral services will be held at the home of his sister in-law, Mrs. Mitchell Strelitz, at 10 o'clock on Saturday.

MARION-MADE PLANE TO BE TESTED SOON

New Factory Planned for Production of Cabin Aircraft

CONSTRUCTED HERE

Test Flight Scheduled Within Next Two Weeks

Work on the construction of a three passenger cabin monoplane, designed and assembled as the first step in plans for establishing a factory for production and sale of planes of the same type is near completion in Marion and preparations for a test flight are now under way.

The test will take place within the next 10 days or two weeks according to plans outlined at this time. Should the trial prove successful steps will be taken at once to start manufacturing operations.

Marion may get the factory. That, however, is not a certainty as numerous other cities are interested in the project and have offered inducements to obtain the industry.

Brooklyn Man in Charge

Experimental work in preparation for construction of the first plane began in the Newman's cigar building on North Main st. last December under the direction of Paul M. Dolan, airplane designer from Brooklyn. To the enterprise he has had the support and cooperation of a group of local business men and manufacturers who will be identified with the new company planned for organization as soon as the new aircraft is tested and found satisfactory.

The new plane is described as being of a distinctive type embodying all recognized essentials of modern aircraft with additional features not found in other makes.

It is the full cantilever type of monoplane equipped with a Kinner five cylinder fixed radial motor, air cooled. It is rated at 90 horse power but with possibilities of development.

END OPERATION DURING TIME OF COURT CONTROL

Grand, Marion and Orpheum Included in Sabbath Closing

REOPENING PROBABLE

Resumption of Shows Regarded Likely After Receivership is Dissolved

The Marion theaters will be closed Sunday for the first time since the receivership was declared last fall.

The Grand, Marion and Orpheum theaters, all under the operation of the Marion Theater Co., are expected to be closed on Sunday until the receivership is dissolved.

This may be late this month. Company of Judge C. C. B. Scott, having set March 27, 28 and 29 as the date for the sale of the personal property of the theater.

John J. Harbison, who came here from Cincinnati last summer as manager of the Marion theaters, is expected to be in the city for the sale of the theaters.

The theaters have been in receivership since last October and have been operating on Sunday during the receivership.

Announcement of the closing of the houses came today when advertising cards and newspaper advertising were not allowed in Sunday press.

Although the theaters have been operating on Sunday, Judge Scott's receivership was not notified. However, the theaters are expected to be closed on Sunday.

Further Sabbath performance while the theaters were under the jurisdiction of the court.

Order of Judge Scott will not affect operation Sunday of the Marion and Orpheum.

PENNIGAN IN COUNTY JAIL

Man Accused of Slaying in Knife Brawl Waves Ex-ammunition

Clarence Pennigan, who is charged in an affidavit with the murder of Edward Strelitz, was held in the county jail where he will be held without bond pending disposition of the case.

The prisoner was placed under arrest on a warrant charging murder when he was released from City hospital yesterday afternoon. He had been under police guard since Tuesday night when he was recovered at the hospital with several knife wounds about the face and head.

The prisoner was taken into custody by Sheriff John J. Francis and lodged in the county jail when he was taken from the hospital. He was taken to the courtroom in the English building by Deputy Sheriff Roy Chapman and Fred Williams this morning.

Pennigan's head and face were practically covered with bandages. Only in one place were the knife wounds exposed. That was at the left side of the mouth and the starting place of one slash that had made a deep groove in the face and head. His face was badly swollen.

Little concern was shown by Pennigan when he appeared in the courtroom. Only a few persons other than those in the courtroom were present.

MULLIGAN RESIGNS SHOVEL CO. OFFICE

Treasurer and Vice President Is Succeeded by H. Cronin

G. V. R. Mulligan, vice president and treasurer of the Marion Steam Shovel Co. has resigned as an official of the company. He was succeeded by H. Cronin.

The vacancy was filled by H. Cronin, who was elected to the position of vice president and treasurer of the company.

Mulligan has been associated with the Marion Steam Shovel Co. for many years. He was elected to the position of vice president and treasurer of the company.

The company is a large concern, engaged in the manufacture and sale of steam shovels. It is one of the leading concerns in Marion.

Population of City Placed at 35,370 in Marion's New Directory, Just Issued

Shows Increase of Approximately 7,000 Over 1920 Census Figures, Other Features Show Additional Evidence of Community Progress

Marion now has an estimated population of 35,370, according to the new directory just issued. This is an increase of approximately 7,000 over the 1920 census figures.

The directory reflects Marion's progress in many ways. Classified business covers 60 pages, showing a wide diversity of activity from agriculture to wood buyers. The assessed valuation of the city is shown to be \$90,147,741, the highest in the state.

The directory also shows the progress of the city in other ways. The number of buildings is shown to be 11,371, an increase of 1,000 over the 1920 census. The number of families is shown to be 11,371, an increase of 1,000 over the 1920 census.

Training Camp News Bits

RAIN AGAIN
NEW ORLEANS, March 15—Heinemann park, the Cleveland Indians' training grounds, was a muddy, soggy mess today, quite unfit for baseball, and the athletes will probably do their training this afternoon under the grandstand. The Indians were rained out for the third straight day yesterday and people hereabouts are assuring them that "this is very unusual weather here for the middle of March." General Manager R. H. Evans arrived in camp yesterday with Earl Averill, hard-hitting outfielder, late of San Francisco, in tow. Averill had insisted that he be allowed a cut of his salary prior to Cleveland and Evans had to go to the coast to convince him otherwise.

LAUREL, Fla., March 15—The Yankees beat the regulars in the first practice game of the season in the Columbus Senators' American association camp here, yesterday, 4 to 1. Yankees accounted for eight hits and the regulars scored only one run. Regulars did their only scoring the second inning, Carullo, second baseman, lining in the run. Jablonowski, Lloyd, and Egenberger were on the mound for the regulars. Harris, Flanagan, and Maxton did the hurling for the Yankees.

VANCE GIVEN INCREASE
CLEARWATER, Fla., March 15—The "batting of Clearwater" was to end officially today with Harry Vance, winning king of the National league, winning a \$25,000 verdict over the directors of the Brooklyn club. Yielding to the pleas of Manager Johnson, the directors consented to grant the pitcher a \$25,000 raise last night and Vance will be signed, sealed and delivered here today. Vance is now the highest salaried pitcher in baseball.

ST. PETERSBURG, Fla., March 15—The Yankees and Boston Braves resumed their spring series here today with each team holding one victory. Hiltz by Maguire and Harper gave the Beaneaters a 6 to 4 win over the world's champions in the tenth yesterday. Wiley Moore being nicked for the winning run. Hiltz and Gehrig got two hits apiece and Luzzetti three.

GETS PERMANENT
SAN ANTONIO, Tex., March 15—Andy Reese, blond second sacker of the New York Giants, is entitled to a free permanent wage today as a result of hitting a tremendous deep center field in yesterday's game with the San Antonio bears. His wife will get the record.

PHOENIX, Ariz., March 15—"Batting fever" is raging at the Tiger camp today, following the hitting orgy which started yesterday when Harry Heilmann and his rival for first base, Dale Alexander, attempted to outdo each other in knocking the ball out of the park. The batting spree spread like an epidemic over the camp with the athletes all aiming for the park fence.

3 TEAMS ENTER AMATEUR MEET

COURT TOURNAMENT PLAY WILL OPEN AT Y THURSDAY NIGHT

Monday Last Day for Quintets To Sign Up for Tourney

BY BOB ELLIOTT
ENTHUSIASM in this year's annual court meeting basketball tournament that will get under way next Thursday night at the Y. M. C. A. with both class A and B teams competing is coming to a head. The Cleveland Indians are the team which have filed their entries for Class A with F. O. Rudolph, physical director of the Y. M. C. A. So far the Y team is the only entry in Class B but several other teams have signed their intentions of signing up before the deadline next Monday night at 7 o'clock.

A number of other city and county teams have made known that they would enter the A competition. Teams have, including today, just three more days in which to get the entries into Mr. Rudolph. Absolutely no entries will be received past 7:30 o'clock next Monday night as there will be a meeting of all the managers of teams competing at 8 o'clock the same night.

At this meeting the drawings will be made and eligibility of players determined. There promises to be some hot discussion on many of the players entered, as the tournament here is supposed to be strictly amateur and if all of the rules of the A. A. are lived up to, well, well, like to be in on that meeting. One of the first rules that a team entering should observe is that each team must have played at least three games in the 1928 season. Every player whose name is on the entry list must have participated in at least three games with his team during the 1928 season.

Age limits are under 17 for class C; 15 to 18 for class B; over 18 for class A. Entry fees are one, two and three dollars respectively for class C, B, and A.

All teams are requested to observe the rule which prohibits any high school varsity player from competing in Class B, regardless of age.

Courtesy, if they cannot get their playing list in the mail before Saturday, are requested to bring their entry list and fee to the meeting Monday night to avoid any possible delay in the mail. Mr. Rudolph announced that there would be no recording of teams in the drawings.

Of the teams that are entered in class A so far, H. T. is given the nod by the wise ones. The team is composed of practically all this year's Harding team. It can present a lineup of Roush and Walker at the forward, Gilis or Lockwood at the center positions with Keller and Carpenter at the guards. Caldonia Independents and Marion Y-Indus have each defeated the other in a home and home engagement this year. Y-Indus have won six and lost six during their schedule this year. One of these defeats came at the hands of the American club of Columbus while the other came from the Limas Y-Indus, one time by five points and the other by six. Two of the local's most notable victories came over the Columbus Federal Glass and Crestline Railroad Y. M. C. A.

2,983 GIVES LOCALS ONE-SIDED VICTORY

GETTING a total of 2,983, the Marion Bradley Drugs lost night defeated the Districtal boxers of Columbus on the Recreation Alters here last night.

After losing the first game, 950 to 920, the local team came back in the final sessions to pass the 1,000 mark each time. The second game found Marion knocking the pins for a total of 1011. Schuler and Zentler, with 411 and 410 respectively, were the Marion boxers to pass the six-figure mark. Metzger scored a 605 for Columbus.

BOSTON WILL HAVE FIGHTING BALL CLUB, CARRIGAN CLAIMS

Red Sox Manager Refuses To Comment on Chances of Team

BY JAMES L. KILGALLEN
BOSTON, March 15—Manager Ball Carrigan of the Boston Red Sox is making no prediction for 1929. Beyond saying he will have "a fighting ball club," the veteran pitcher declined today to go on record on what he thought his team will do in the pennant chase.

"Do you think the Red Sox will land in the first division?" he was asked.

"I don't know," he replied. "All I can say is that they will be in there fighting."

Carrigan, who has been looking over 41 ball players at the spring training camp here, said he has not yet definitely made up his mind as to his opening line-up. All his players with the exception of Ira Treadwell, veteran outfielder, reported early and the club as a whole is in fine shape and many of his youngsters look promising.

This Red Sox pitching staff will be built around Ed Morris, Dan MacFadden, Charlie Haffner, Jack Russell and Milton Gibson, all right handers. Morris, a pitcher of Clarksville, Tenn., who was up with Washington in 1927, will be charged as a gambler until he has another chance to show in major league play.

Carrigan has hopes that the flock of young pitchers he is looking over will be made up of two or three who will make the grade. Those youngsters included Ed Darnall of Chester, S. C., who was 17 and lost seven for the Jackson club of the Cotton States league last season; Benny Frey of Jackson, Mich., a fast ball flinger up from Nashville, Tenn.; and a tall right hander who was 13 and lost 18 with Portland, Maine, in 1928 and Edgar Carroll of Columbus, Md., a fast ball pitcher. He is six foot three and has a world of speed.

Carrigan also has Bill Bayne, a southpaw, Bayne was formerly with the St. Louis Browns and last year led off for Cleveland where his record was rather poor.

SCHEDULE TO GAMES
ASHLAND, March 15—Ashland college's baseball schedule of 10 games for the 1929 season has been announced. Besides the contests now on the card for the Purple nine, officials are attempting to book two games with Wittenberg, to make an even dozen intercollegiate encounters. Six of the games already booked are at home.

LAST NIGHT'S FIGHTS

AT PHILADELPHIA—Black Bull, Cuban heavyweight, outpointed Harry Gold, of Philadelphia (8).
AT ALLENTOWN, Pa.—Johnny Jaded, Philadelphia lightweight, won from Joey Kaufman, New York, on foul (4).

THE WILDCAT

Above is pictured Wildcat, a young cat who will be the feature in the Eagles' fight card here Monday night. Anakin, who hails from St. Vernon, has been selected with Johnny Shapp of Cleveland in the eighth round main go. In 38 fights, Audinids holds 27 knockouts.

SINGER AND TAYLOR WILL FIGHT TONIGHT

New York To Pack Garden for Battle of Chumps

BY DAVIS J. WALSH
NEW YORK, March 15—New York and its chump population, limited in number only by the distance between the front and back of the telephone book, will know definitely tonight whether it has sponsored another Leonard, as it once thought, or spawned another Teris, as it now suspects. The difference is represented largely by the discrepancy between a snit and a swan and there comes a time in every life when a chump must know all. That time will come tonight when Al Singer and Lind Taylor replay the Garden in the second episode of their what-was-it.

The last time out, there was a lunging, which probably was what it deserved. Anyhow, Singer sank gracefully to the Ammister after being hit somewhere—well, let's call it somewhere in the middle of the fourth round—and the referee, having consulted with everybody except Judge Landis, finally called it a foul. There was a net gate of \$36,744.04 on the premises that night and every nickel of it walked out muttering violently. Their story was that, if they never saw Al Singer again, it would be premature.

This probably accounts for the fact that the Garden has sold itself out again tonight and that ticket-leggers are haunting signs on Broadway, announcing "choice seats for Taylor and Singer." The boys are all steamed up like a hot house window. The funniest thing about it is that it was only a week ago that the Garden tried to announce this show from its ringside and was shouted down.

STATE BASKETBALL TOURNAMENT OPENS AT CAPITAL TODAY

Fight for Class B Title Will Be Feature of Meet

OHIO basketball fans are due to see keener competition, better playing and a "real cat-and-dog fight" in Columbus today and tomorrow, in the state high school basketball finals in the Coliseum, according to the "high mowls" of Ohio high school athletes—and they should know.

The curtain was to go up at 1 o'clock this afternoon, with West Chester and Bluffton on the stage for the opening act on Ohio's greatest high school athletic event of the year. Bluffton has not been defeated this year, having beaten such teams as Columbus Grove, Spencerville, Tiffin Junior Home and Straker, which was runner-up in the Class B title in the northwest district. This team from the northwest is the only undefeated class B team in the tournament.

Dayton Silvers, Class A champion last year, will be to defend its title with one of the most enviable records of any team in the meet, having encountered only one defeat, which was administered by Morton High, of Chicago, 21 to 17.

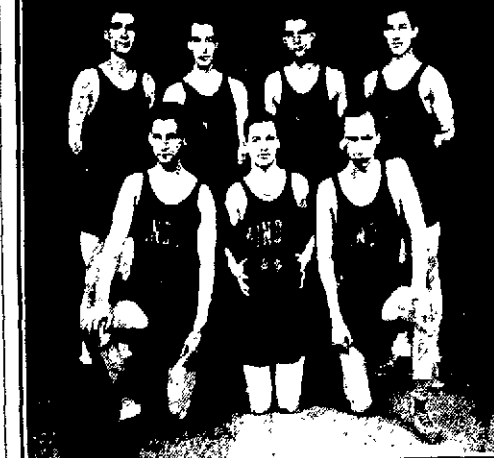

Bowling Green, a class A entry from the Northwest, however, has a clean slate for the season, but the schedule was not as strenuous as Silvers.

Dover, which won the title in 1927, but lost it last year in the semi-finals, is attempting a comeback. Dover has the son of Canton McKinley, last year's runner-up in the state meet, Columbus North, city champions. Marietta, Zanesville and a long string of others on its 1929 belt. Only one defeat was suffered this year, the honor going to East Tech of Cleveland, by one point, after an overtime period.

Canton McKinley after a rather strenuous program is out for the championship bug in earnest. Coach Peabody's boys are representing the northeastern Ohio district along with Akron Garfield. McKinley has beaten the strong Akron South aggregation twice by formidable scores along with victories over Youngstown Bayan, Alliance, Akron Central and Columbus Central. Class A champ of the Delaware tourney.

Portsmouth, Class A title-holders from the southwest, does not boast of an exceptional record, having been downed by Columbus South, Zanesville and Columbus East. The greatest achievement during the season, was

Y-INDUS FIRST TO ENTER

The first team to enter the Marion county amateur basketball tournament to get underway at the Y. M. C. A. next week was the local Y-Indus club pictured above. Members of the team are, left to right, front row: Chalmer Clum, Bill Pether and Duane Church; back row: Bob Elliott, Al Stahl, Donald Crum and Charles Osterholt. Bill Lowe, a guard, is not shown.

Portsmouth's 21-to-17 win over last year's national champions, Ashland, Ky.

Marionville, which is expected to make a strong bid for Class B honors has one of the best records in the state. For three consecutive years, Marionville has been in the finals, having exactly the same lineup for those years, have won 56 games, losing only eight. Last year, Marionville was put out of the running in the 1928 meet, in the semi-finals. Getting an unlucky break, Marionville was drawn to meet the strong St. Mary's team of Akron at 7 o'clock tonight.

Columbus Central, although it will make a strong bid for top honors, is not considered among the favorites. Central has 14 wins and six defeats for its record the past season.

Akron Garfield is a favorite with many of the scribes to fight it out with Dayton Silvers for the A title. Garfield, Akron's newest high school, only three years old, has a fine record, and was city champion. A boast for any team.

Lima St. Rose, which enters the state tournament for the first time as a Class A team, is expected to be eliminated in the first round tonight by Dover. St. Rose has come to Columbus twice before, but in the B circle. Columbus Aquilans, Lima Central, Mansfield, Sandusky and Dayton Chamblaine have fallen before the parochial's onslaught. Bowling Green, however, the Lima team's worst

WEST ENDERS ARE FAVORED TO TAKE SECOND, LAST GAME

Contest Scheduled at 7:30 O'clock on Y. M. C. A. Court

WITH the strange hold on the championship, Central is a high school cager tonight, with a trump to add another scalp to its titular belt when they meet the Vernon Heights quintet in the second, final game of the series at the Y. M. C. A.

The contest is scheduled to start at 7:30 o'clock.

Central will enter the contest as heavy favorites to walk off with another title. To date the Vernon Heights has never been accused of any vulgar as to win a city championship. In case Vernon should surge, the west enders, the city series won't see a complete flop. According to the odds, only two games are to be played. However Central is expected to repeat its easy victory chalked up at Vernon's home court last week. Tonight the Central fire will have to blaze a larger advantage playing on its home court.

The past week has been a busy one for both teams. Vernon has been attempting to work out a defense and offense capable of stopping the big West Center st. boys. Central's coach has been attempting to keep his team from becoming overconfident after its easy initial victory.

Nettlesness and Other Ills Vanish, Too, When New Medicine Is Put to Test

Mrs. NANCY PATTERSON

I never shall be able to pay the debt of gratitude I owe to this Konjola. I was suffering with rheumatism and other ills for many months. I was unable to do my work and I was in great pain. I tried many remedies but nothing helped. Then I heard of Konjola and I decided to try it. I bought a box of Konjola and I started to use it. I was surprised to find that the pain was gone and I was able to do my work again. I am now well and happy. I am a great believer in Konjola and I recommend it to all who are suffering from rheumatism and other ills.

BORAH LEADS GROUP REDRAFTING POWERS

Tables Will Suggest Use of Nations Statute Be Revised

WASHINGTON, March 15.—Senator Borah, Republican of Idaho, today led a group of senators in a move to have the powers of the executive branch of the government redefined. The move was made in the form of a resolution which would give the president the power to appoint and remove all officers and employees of the executive branch, and to appoint and remove all judges of the federal courts. The resolution also would give the president the power to appoint and remove all members of the cabinet, and to appoint and remove all members of the judicial branch of the government. The resolution was introduced in the Senate today, and was referred to the committee on executive business.

SNOOK LIKELY TO RESIGN AS WARDEN

Use of Spy System in At Janta Prison Brings About Trouble

WASHINGTON, March 15.—It is likely that W. A. Rorer, warden of the Federal Reformatory for Women at Alderson, Md., will resign his position. The resignation is expected to be made within a few days. The reason for the resignation is the use of a spy system in the prison, which has brought about trouble. The spy system was used to monitor the activities of the prisoners, and it was found that the system was not working properly. The warden is expected to resign because of the trouble that has been caused by the spy system.

COLUMBIANA, March 15.—J. W. Jacoby, a prominent Marion realtor, today was reappointed to the office of president of the State Board of Realtors. Jacoby was elected to the office for a second term. He was elected by a vote of 10 to 2. Jacoby has been president of the board for the past two years. He is a well-known realtor in Marion, and has been successful in his business. He is expected to continue his work as president of the board for the next two years.

CASHIER IS CHARGED WITH EMBEZZLEMENT

Orville Man Indicted on Five Counts, Accused of Juggling Accounts

CLEVELAND, March 15.—A man named Orville, who was a cashier at a bank in Cleveland, has been indicted on five counts of embezzlement. The indictment was returned by a grand jury. The man is accused of juggling accounts and of using the bank's money for his own purposes. The man is expected to be held in custody until he can be arraigned in court. The bank is expected to file a lawsuit against the man to recover the money that was embezzled.

KU KLUX KLAN BACKS BIBLE READING BILL

W C T U Representative
Also Speaks in Favor of
Measure at Meeting

COLUMBUS, March 14.—(14) As a Ku Klux Klan member known to have been in the Ohio W. C. T. U. building making the reading of the Bible the public cause of the Ku Klux Klan, today was in a state of intense feeling, to sweep Ohio.

At a meeting of the Ku Klux Klan at Columbus, Ohio, today, the Ku Klux Klan representative, W. C. T. U. Representative, also spoke in favor of the measure. He said that the Ku Klux Klan is a religious organization, and that it is the duty of every citizen to support the Bible reading bill. He said that the Ku Klux Klan is a religious organization, and that it is the duty of every citizen to support the Bible reading bill.

Pen Oppose Bill
Only a few speakers opposed the bill. They included John S. ...

The bill in brief makes the reading of the Bible compulsory in the public schools. It is a measure to be heard next Thursday.

Ritzzy Rosalie

ROSLIE is reading all about her girl friends who want to spend the remainder of the winter in either warmer or colder climates than their own. Their clothes are there, too—Sylvia who goes in for winter sports already wears one of these little chenille caps with a chin strap that is a cross between an aviator's helmet and a rubber diving cap in shape. Her companions go in for helmets of larger or smaller size with the flaps inside and a visor peeping out in a ruffly effect. Apparently, Rosalie with ears then there's Dec who went where it was warm. Where she could wear the new sports hood and then even the little hat.

SENIOR CLASS PLAY CHOSEN AT SCHOOL

"The Queen's Husband" Announced for This Year's Production

Miss Lucile Foreman has chosen a play of a different type altogether from "Little Women" and "Sunshine Through." She has announced "The Queen's Husband," a three-act comedy satire, for the class presentation this year.

"The Queen's Husband" is a modern play, in modern setting and with modern costume, written by Robert Emmet Sherwood, writer of "The Road to Rome" and "The Sign of the Cross." It was chosen as one of the best plays of the year.

The setting is a mythical modern kingdom, although not much of the Greek type. Miss Foreman says: "The leading characters are a beautiful queen who dominates her husband, a princess betrothed to her managing mother to a decadent prince, and a gentle intellectual king who enjoys a game of checkers with his servant."

Observers and readers of the play have concluded that the queen is really a satire on Queen Marie and her marital ambitions for her children. Some of the incidents in the

play follow closely actual happenings in the old world modern court. Costumes and settings will be furnished by the Emily S. Van Studio of Columbus, which furnished the same costumes and settings for the play when it was presented last fall by the Strollers at Ohio State University.

Sherwood's style of writing excels in brilliancy of wit and satire, including his plays with moments of subtle humor, which can easily turn from satire to something touching the heart.

KIWANIS CLUB SEES INDUSTRIAL MOVIE

Paper Making Demonstration by Representative of Ham-memill Co.

Three reels of film made up an exposition of the paper making industry shown in the regular Thursday program following the Kiwanis luncheon yesterday at the Marion club. The film was shown by Robert F. McMann, through the courtesy of the Hammemill Bond Paper Co. of Erie, Penn.

The film demonstrated the many steps between the crude lumber as it enters the plant, ending with the treatment of the pulp in the \$100,000 press that turns out 250,000 pounds of the finest writing stock every 24 hours. There are 1,300 men employed in this plant.

The company secures lumber for its work from 208 square miles of forest, and uses 25,000,000 gallons of water daily in the manufacture of paper.

A proper touch of "the green" was administered when Chief T. J. McFarland of the Marion fire department, and Ed C. Watters were called

on to sing "My Wild Irish Rose." A green banner hanging over the tables also reminded Kiwanians of the birthday of St. Patrick's Day.

Mr. McMann, who had charge of the film, was introduced by R. F. Fletcher.

Bilious child suffers agony.

No more headaches and sickness.

Save your child from splitting headaches and prostrating sickness. If the tongue is coated and breath unpleasant, it is a sure sign the stomach, liver and bowels are clogged with constipated waste. Simply give a dose of "California Fig Syrup," and shortly after all the sour, irritating bile and fermenting undigested food will be moved from the bowels, leaving the system clean and sweet, and the child bright and strong.

"California Fig Syrup" suits child's system better than any harsh purging medicine, and they love its delicious taste.

There are many imitations of California Fig Syrup. To be sure of getting the genuine, look for the name "California" on the package.—Adv.

EXPECT FEDERALS TO TAKE DURANGO

Agents Report Revolutionary
Forces Moving Toward
Naco

THREATEN TIA JUANA

Four Separate Columns of
Loyal Troops Take Part
in Advance

By International News Service
Gen. Plutarco Elias Calles, war
minister and field commander of the
federalists, is throwing a vast circle
of troops about the rebel army on the
Coahuila Durango border. It is ex-
pected the strategy of the federal
commander-in-chief is to surround the
rebels and prevent their retirement
towards their base at Chihuahua
City.

Four separate columns of federal
troops are taking part in this evening
movement.
Mexico City reports that news of
the capture of Durango by General
Calles' army is expected hourly.
The rebel position at Durango, capi-
tal of the state of Durango, lies in
the path of General Calles' north-
ward advance.

General Calles is reported to have
issued orders to kill or capture
every soldier in General Escobar's
rebel army.
Rebel agents on the Mexican bor-
der report that an insurgent force is
moving upon Naco.
It is reported also that a small
rebel force is moving toward Tia
Juana, near the California line.

MAY JOIN REBELS

Naco Garrison Making Overtures To
Revolutionary Forces

NOGALLES, Sonora, Mexico, March
12.—Although rebel troop movements
continued today in the campaign to
capture Naco, Sonora, from Gen.
Augustin Olachea, intimations today
at rebel headquarters here indicated
that the Naco garrison may return to
the revolutionary cause without the
little which has been expected since
last Tuesday when Olachea reaf-
firmed himself with the federal gov-
ernment. Unconfirmed reports given
out at headquarters today said Olachea
was making overtures to the
rebel leaders with a view of reaffirm-
ing his support to the revolution. Re-

ports still persist here that the Olachea mutiny was a prearranged rebel
move for the purpose of drawing an
insurgent force through the border from
the United States, and for obtaining war
plans from Mexico City.

This theory was minimized by fed-
eral leaders through Mexican Consul
J. M. Vasquez at Nogales, Arizona,
who declared the Olachea mutiny was
absolutely authentic.

The theory was strengthened how-
ever by the fact that Gen. Francisco
Munoz, second in command of the
revolutionary army, changed his plans
and left Nogales for the south to as-
sist Gen. Rimon Toribio in his cam-
paign against federal Gen. Jaime
Gallo who is holding the important
port of Mazatlan on the west coast.
General Munoz's second in com-
mand, General Vasquez, intended earlier to
lead the drive on Naco.

ROY NUSSER PLEA FOR WRIT DENIED

Jail Prisoner Required To
Serve Out Fine Under
Court Ruling

An order made yesterday in the
matter of Roy Nussler refused him a
writ of habeas corpus which he
sought through the common pleas
court. Nussler will be obliged to serve
out his fine and costs in the Marion
county jail.

The petition for a writ of habeas
corpus was filed Monday on the
grounds that Nussler's sentence did not
provide that he should pay the costs
of the action or be detained until the
fine of \$500 was paid. At a hearing
Monday afternoon Judge Scofield
reserved his decision.

Nussler was sought for more than a
year on a liquor charge. He was
found \$500 on Dec. 8, 1924, in municipal
court. The conviction on the
liquor charge was questioned and the
case appealed to the common pleas
court in February. He was placed in
jail on Feb. 27 with the result that a
habeas corpus petition was filed.

MOTION OVERRULED

A motion for appointment of a re-
ceiver in the case of Charles C.
Mets against the Lullum Grain &
Supply Co. was overruled yesterday
by Judge Scofield in the common
pleas court. Dunham C. Dunham
represented the plaintiff and W. L.
Moloney was attorney for the de-
fendant.

Bandit Gyps Patrolman In Involuntary Gun Trade

CLEVELAND, March 12.—A
Cleveland patrolman and an
alleged bandit traded weapons
late yesterday afternoon. The
trade was involuntary on both
sides and occurred during a
struggle which ensued when the
patrolman grappled with the
figure.

Immediately after the ex-
change the accused stickup man
dumped six bullets from the po-
lice man's pistol at the officer
none of them taking effect.

At this juncture the police
man decided it was time to try
some shooting himself. Accord-
ingly he took careful aim at the
supposed stickup artist with
the latter's pistol and pulled
the trigger.

Out popped a cigarette.
No particular damage had
been done on either side when
an accommodating truckman ap-
peared in the scene, reached

RADIO TEST GIVEN SCHOOL STUDENTS

Central Junior High Pupils
Rate 60 Per Cent on
Senate Program

Students at Central Junior High
school scored an average of 60 per
cent in a test given yesterday over the
state senate's broadcasting. Tuesday
the entire test in listening, grading did
not take more than 15 minutes and
W. L. Oruff, principal, was pleased
with the result. The students listen-
ing in Tuesday did not know that a
test was to be given and this percent-
age indicates that most of the chil-
dren were interested and listening ac-
cording to Mr. Oruff.

A test will probably be given Mon-
day on the Walter Damrosch program
by at least his morning from New
York. Questions were handed out
and the children were able to find the
answers at some time during the
program. They were given permis-
sion to keep the papers and study
them in preparation for the coming
test.

Not a single chick lost—

A well known poultry farm
bought two lots of chicks, 300
White Rocks and 100 Barred
Rocks. When received, 104 White
Rock chicks were dead and 43 were
not expected to live. Of the Barred
Rocks only 4 were dead and the
rest in fine shape.
The 198 White Rocks (includ-
ing the 4 sick ones) were put on
Uniko All Mash Starting and
Growing Ration. Two weeks later
every chick was fully grown.
The Barred Rock chicks were
put on another mash. Two weeks
later 70 Barred Rock chicks had
died and 104 were in bad shape
on it and gain weight fast.

The Barred Rocks were then
switched over to Uniko All Mash
Starting and Growing Ration and
immediately began to pick up. No
more died and growth was rapid.

Uniko All Mash Starting and
Growing Ration is made of dried
buttermilk, specially prepared meat
scraps, sound, wholesome grains,
tested cod liver oil and minerals
ingredients of the very highest
quality. The cod liver oil is a
guarantee against leg weakness,
while the other ingredients make
up such a perfectly balanced ration
that chicks of all breeds thrive
on it and gain weight fast.

SERV-U-WEL BRAND

For the past eight or ten months, we have sold three items under our Serv-U-Wel Label—Serv-U-Wel Coffee, Serv-U-Wel Oleo and Serv-U-Wel Creamery Butter.

We have contracted with the packers of our coffee, oleo and butter to put nothing but the best under our label. We can't afford to pack anything cheap under our name when we advocate QUALITY FOODS.

With the same HIGH QUALITY in view, we have now contracted for a Serv-U-Wel Broom and Serv-U-Wel Flour. We hope that these two new Serv-U-Wel Products will make us as many friends as our coffee, oleo and butter.

COCOA HARDWATER
CASTILE**
MADE ONLY FROM SELECTED COCONUT OIL

For women who prize a lovely skin. Fluffy lather in one cake—wonderfully cleansing and exhilarating.

"Bully" say the men as the bubbly lather of this big white cake whisks stubborn dirt and gunnery grease from grimy hands.

Hard playing youngsters actually enjoy washing and bathing themselves with this new kind of soap that lathers so abundantly.

Five minutes are enough for a shampoo that leaves your hair gloriously clean, lustrous, fluffy and beautiful.

Ideal for washbowl laundering of sheet, silk, stockings, flimsy lingerie and other dainty garments.

Bubbles Spring From It Like Magic

AN amazing new discovery in toilet soap that has taken this city by storm. Everywhere it is hailed as the skin's best friend and dirt's worst enemy.

With unheard of speed—like magic—it produces a rich, creamy lather that gently removes all soil and grime while it softens and whitens the skin.

Highly antiseptic, too, guarding health and beauty by destroying germs and bacteria.

You need no other softener for the hardest water yet this big white odorless cake bubbles just as freely and quickly as in rain water.

Particularly women are greeting this new cosmetic soap with joy. They know how beneficial to the skin is the 100% pure coconut oil from which it is made by Kirk's secret process.

No other soap meets so many different needs in the home. No other is purer or so economical. Don't wait to try it, but get a cake today.
